

# “Sport Day” was held at Turin Polytechnic University in Tashkent

It is no secret that the main factor of a healthy lifestyle is sports. Turin Polytechnic University in Tashkent held a “Sport Day” for students to compete in several types of sport:

- running marathon
- table tennis
- badminton
- basketball
- frisbee
- arm wrestling
- skateboard

In addition, the final match of the long-awaited football tournament “Navruz Cup – 2021” was held. The final game was played between the teams of Turin United and Neajidenniki. By the end of the match, the score was a draw 2 : 2 and then in a series of penalties with a score of 5 : 6 the team Neajidenniki became the champion and the cup winner.

Members of the champion football team and winners in other types of sport were awarded certificates and prizes.
