#### **1.4. Admission procedure and important dates**

##### **1.4.1. Admission test**

All the Bachelor of Science (B.Sc.) programs offered by TTPU are based on a “locally programmed admission” scheme. There is a limit with a limited number of places for students. The University accepts applicants who have received the highest number of points in the **Admission Test**, until the limit of the admission quota is reached. The score obtained in the Admission Test, is valid only for the 2021/2022 Academic Year.

Applicants, who score very high marks in the Admission Test, are possibly allowed to skip the Preparatory Year and given the opportunity to be enrolled in the First Level (= Second Year), provided that the language requirements discussed in the Section 1.5 are satisfied. It is important to point out that applicants must hold a Secondary School Diploma obtained after 12 years of school attendance or 11 years + having passed all the scheduled exams in the Preparatory Year or 11 years + one year at a recognized University (having passed all the scheduled exams).

The applicant has the right to refuse this opportunity and continue his/her studies from the Preparatory Year.

The final decision on admission to the First Level is made after the consent of the Rector of Turin Polytechnic University in Tashkent, the Vice Rector on Academic and Scientific Matters and the coordinator of the Admission Committee.

#### **1.4.2. Date of examination**

There will be three admission tests for the 2021/2022 Academic year:

- First session will take place on May 21, 10 AM Local Time (Registration deadline May 14, the maximum number of applicants is 450). **If the number of registered applicants exceed the quota for the first exam they will automatically enrolled to the July session. Applicants who miss to show up are not allowed to participate in the July session;**
- Second session (with larger number of applicants) will take place in the beginning of July (exact dates and procedure will be announced later);
- Third session will take place in September (tentative period; exact dates and procedure will be announced later) and eligible applicants are not allowed to skip PY.

*The admissions tests will be at the Turin Polytechnic University in Tashkent at the address: Kichik Halka Yuli street, 17, Tashkent 100095, Uzbekistan (Landmark: Students' Campus, former Cinema "Nukus", supermarket "Asia.uz").*

The Online application form is available at:

[Go to Application](#)

PLEASE WATCH THE VIDEO HOW TO FILL IN ONLINE APPLICATION.

**The registration is now open for the first, i.e., May, session.**

Step 1 is mandatory and applicants cannot proceed to step 2, if step 1 is not completed!

STEP #2 – In order to ensure the transparency of the admission process,

Admission committee will take applicant's fingerprint and photo. The applicant must have with him/her a passport, document of secondary education (diploma, certificate in the absence of the diploma or a document confirming the completion of the studies at this educational institution (original)).

In addition, due the cost associated with maintaining the student database, each applicant must pay the admission fee of 5 euros (65000 sum) at the exchange rate of Central Bank. **Applicant who have not paid the admission fee will not be admitted to the exams.**

For this, applicants must arrive at the address: *Kichik Halka Yuli street, 17, Tashkent 100095, Uzbekistan (Landmark: Students' Campus, former Cinema "Nukus", supermarket "Asia.uz")*. After completion of this process, the original documents will be returned to applicants.

**If the applicant did not make successfully the Online Application within the admission period, and did not submit fingerprint and photo, then the documents will not be accepted and the applicant will not be allowed to take the exam!**

#### **1.4.4. Online test**

Knowledge of the applicant will be assessed by a set of online tests with multiple-choice questions, featuring a difficulty level that is adequate to the secondary school programs of the Uzbekistan.

The Online Test consists of:

**Mathematics: 18 questions (time: 40 minutes)**

**Comprehension: 6 questions (time: 12 minutes)**

**Logic: 6 questions (time: 12 minutes)**

## **Physics: 12 questions (time: 26 minutes)**

The full online test consists of **42 questions** and will last **90 minutes**. Each question has **5** possible choices, but **only one** of them is correct.

Every question carries:

**1 point** – if it is correct(*you get 1 point*)

**-0.25 points** – if it is wrong(*you loose -0.25 points*)

**0 points** – if it is left blank(*you do not loose any points*)

**All the questions will be in English!**

### **1.4.5. Exam results**

Applicants will know their results soon after the end of the online test. The full list of the candidates ranked with percentage of their results will be announced within a week after the admission test.

After the announcement of the results of examinations, applicants who have successfully passed the admission test must submit the following documents to the Admission Committee:
