

**On November 23, the second stage of the event “Planting a tree, we will create a garden”.**

The jury members took a lot of useful information and facts and made conclusions for themselves.

In conclusion, the winners were awarded commemorative prizes:

1st place – External Hard Drive

2nd – Powerbank

3rd – Wireless keyboard and mouse.

It is worth noting that some professors also participated in this event and shared their knowledge in this area, as well as gave advice on when and where it is better to plant fruit trees.
