

# **Academic Council began its work on awarding scientific degrees in technical sciences At Turin Polytechnic University in Tashkent.**

According to the decision of the Higher Attestation Commission under the Cabinet of Ministers of the Republic of Uzbekistan dated February 1, 2022, an Academic Council was established at Turin Polytechnic University in Tashkent to award the academic degree of Doctor of Philosophy (PhD) and Doctor of Science (DSc) in technical sciences.

Dissertations are defended at the Academic Council in the following specialties:

**05.08.06** – “Wheeled and tracked vehicles and their operation”;

**05.01.08** – “Automation and control of technological processes and production”;

**05.09.01** – “Building structures, buildings and structures”

According to the decision, the Academic Council of Turin Polytechnic University, consisting of 17 people, was approved. The Rector of the University, Doctor of Technical Sciences Inoyatkhodjaev Jamshid Shukhratullaevich was appointed Chairman of the Council.

The Academic Council consists of the youngest scientists, including 9 Doctors of Technical Sciences and 8 PhDs. Most of its members have defended dissertations abroad, and an Italian professor has also joined the council.
