

The topic of the project is very important and relevant to the current trends, and the project will support and stimulate the Digital Transformation Initiatives in Uzbekistan!

The team members of ELBA project participated in “Erasmus+ opportunities for institutional cooperation” session, organized by National Erasmus+ Office Uzbekistan in Tashkent State Pedagogical University, within the Erasmus+ Week 2022.

The project facts and results were welcomed by the attendants with a great interest. The participating professors highlighted that “The topic of the project is very important and relevant to the current trends, and the project will support and stimulate the Digital Transformation Initiatives in Uzbekistan”.

Moreover, the ELBA project team members shared their experiences and motivated newcomers from the hosting university to step into “The amazing world of Erasmus+”.
