Welcoming the champion and his father Fazliddin Ochilov, the Rector of the Turin Polytechnic University J.S. Inoyakhodjaev once again congratulated the national team of Uzbekistan with the historic victory at the 44th World Chess Olympiad and emphasized Nodirbek's invaluable contribution to this victory. During the meeting the chess player shared his current chess trainings and plans for the future and then got acquainted with his groupmates.

Nodirbek and his father highlighted favorable conditions created for students at the university, and despite numerous offers to study at various universities in Uzbekistan and around the world, they chose the Turin Polytechnic University in Tashkent.

On behalf of the entire university staff, we once again congratulate Nodirbek on his achievements and wish him great success and victories in future tournaments.
