

# Dear Students of all levels and all tracks, please find the list of students who haven't paid for the 2022-2023 AY.

Important note: You must pay at least 50% of the tuition fees by January 7th, 2023. If you miss the deadline (even by one day) you will be excluded from the University with the chance of reenrollment only in 2023-2024 AY. If you pay exactly on January 7th, 2023, you must bring a copy of the receipt to the Dean's Office.

If you have already made the payment, please disregard this message.
