

Memorandum of Understanding (MoU) has been signed between the TurinPolytechnic University inTashkent and Indonesian Association of Science and Technology Muhammadiyah Aisyiyah Higher Education

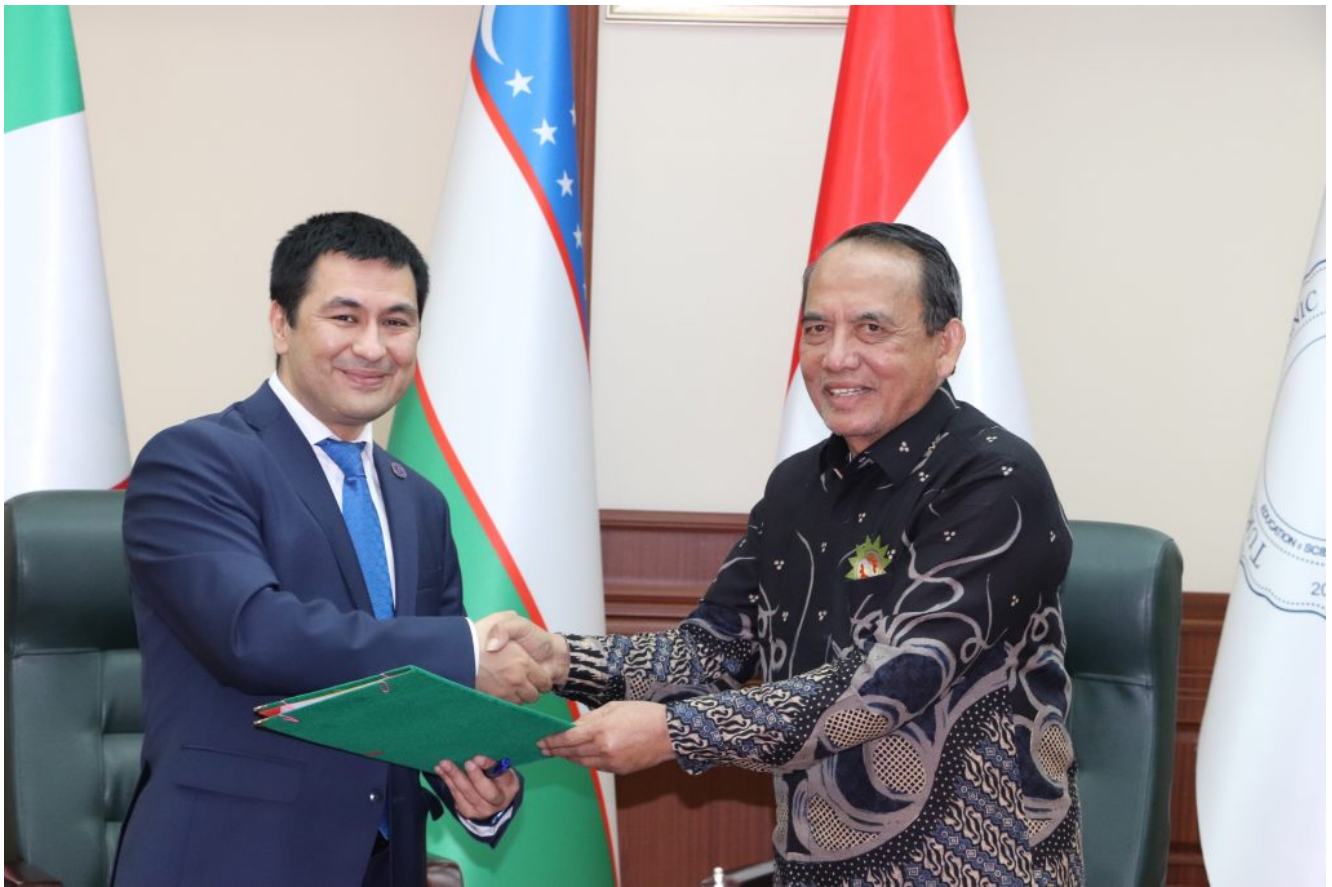

On march 13, 2023 delegation from the Indonesian Embassy in Tashkent and Association of Science and Technology Muhammadiyah Aisyiyah Higher Education visited the Turin Polytechnic University in Tashkent.

In the framework of the visit, memorandum of understanding was signed between the **Turin Polytechnic university in Tashkent** and **Faculties of Engineering of Muhammadiyah University of Magelang, Muhammadiyah University of Jakarta, Muhammadiyah University of Surakarta, Muhammadiyah University of Yogyakarta, Muhammadiyah University of Prof. Dr. HAMKA, Muhammadiyah University of Aceh, Faculty of Applied Sciences and Technology of Ahmad Dahlan University**. Also MoU was signed between Mechanical Engineering, Civil engineering and Computer engineering faculties of TTPU with faculties of Engineering of the Association universities.

The scope of cooperation under the MoU includes academic collaboration, students, faculty members exchange, development of joint research projects and others.

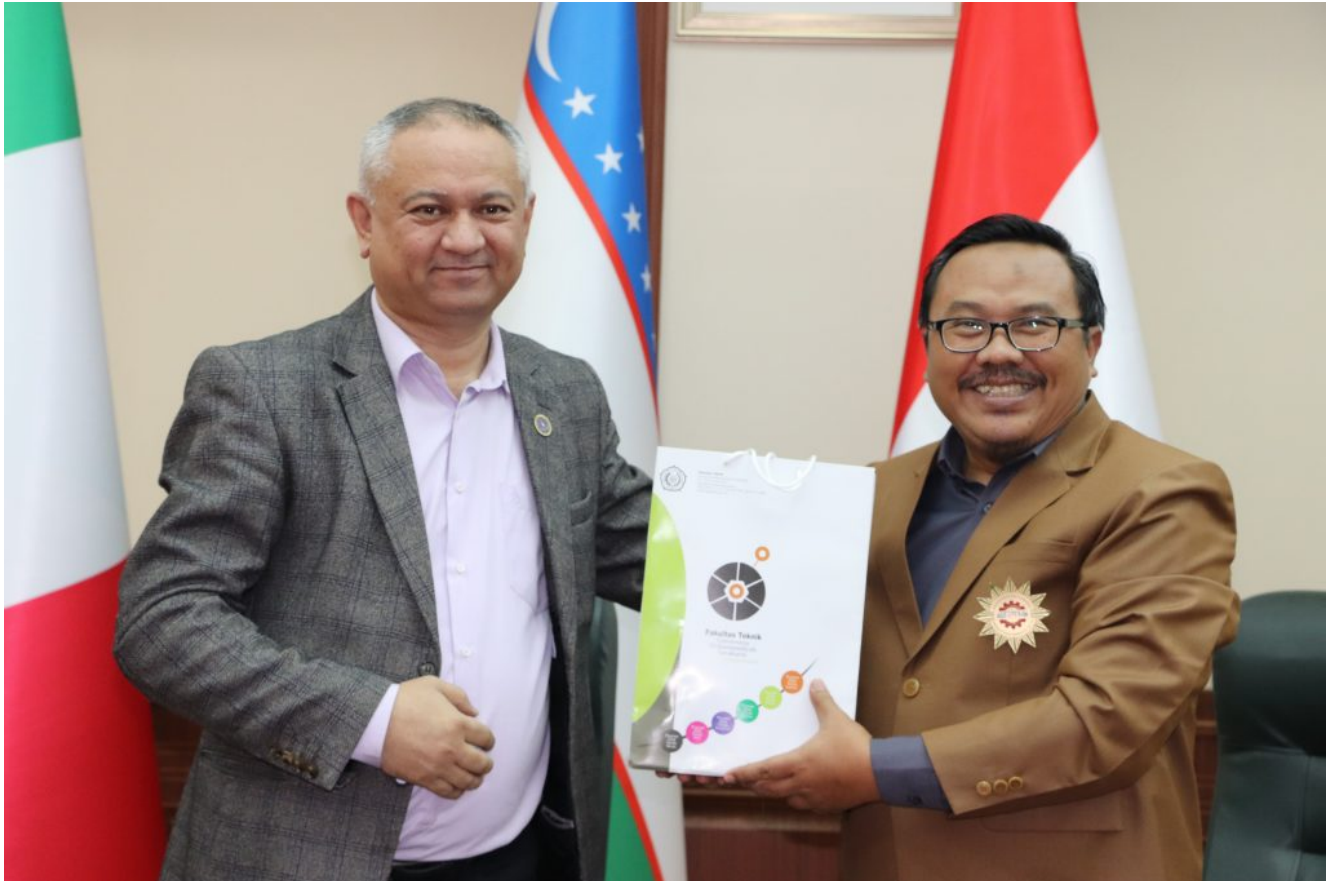

DSc. Jamshid Inoyatkhojaev, rector of Turin Polytechnic University in Tashkent: "We do hope that the MoU has become the first step in building a long-term and fruitful cooperation between the institutions aimed to strengthen the international cooperation and explore further research opportunities".

“As from the embassy, we would like to welcome the initiation of cooperation between the universities and do believe that collaboration with Science and Technology Association of

Muhammadiyah in future will make a great benefit to the university and Uzbek community as well” commented Ms. Sintia C. Saeh, First Secretary/Head of Information, Social and Culture of the Embassy of the Republic of Indonesia.

“The goal of our visit is to conduct good collaboration not only in education, but also in research and industry with the Turin Polytechnic University in Tashkent” noted Ph.D Yun

Arifatul Fatimah, Faculty of Engineering- Muhammadiyah University of Magelang.

During the visit, the delegation members also got acquainted with TTPU's information resource center, technology park and mechatronics centres.
