

A roundtable discussion “Awareness is the need of time”

On April 18, 2023, a roundtable discussion on the topic “Awareness is the need of time” was held at Turin Polytechnic University in Tashkent. The event was held with the participation of university students, on the initiative of Senior preventive inspector of the University, lieutenant colonel Yusupov Sh.N., in cooperation with an employee of the Department of Combating Cyber Crimes in the Field of Information Technologies of Almazor District, Captain Yarmatov Sh.Kh. and preventive inspector, lieutenant Ismoilova A.F.

The participants of the meeting spoke on the following topics:

- 1) “CYBER SECURITY” and those who are still falling for it, how to get rid of this and the need to build immunity against it.
- 2) Fight against oppression and violence.
- 3) Prevention of cases of corruption and fight against it.
- 4) Fight against crime and drug addiction.

Students received detailed answers to their questions during the interesting roundtable discussion.
