

A table tennis master class was held at TTPU

On May 19, 2023, Uzbekistan Table Tennis Federation organized a master class for university students. The guests of the event were Burkhonkhodjaeva Nodira, head of the Department of Preparation for the International Olympic Games, Melikuziev Akbar, executive director of Tashkent city table tennis department, and students of the Institute of Physical Education of the Republic of Uzbekistan – winners of a number of international and republican competitions. Speaking about the role and development of the Uzbekistan Federation in popularizing table tennis among young people, N. Burkhonkhodjaeva called students to do more with table tennis. Young sportsmen held master classes to university students and presented them different game styles and competed with them. The master class made the students more interested in this sport and it was agreed to organize competitions in the future.
