

Training program in Italy within the framework of the Erasmus + project “Multidisciplinary Skills for Entrepreneurship in the Arts / MUSAE”

From July 6 to July 13, 2023, within the framework of the Erasmus + project “Multidisciplinary Skills for Entrepreneurship in the Arts / MUSAE”, trainings and presentations of projects of students from 9 universities (Uzbekistan, Palestine and Tunisia) were held in the city of L’Aquila, Italy. Students of Turin Polytechnic University in Tashkent, Institute of Applied Arts named after. K. Bekzod and the State Conservatory of Uzbekistan took part in Uzbekistan. Students presented their innovative work in various areas, each of which is a complete project that can already be used to support various segments of the population, in educational and professional fields, etc.

Also a meeting of the project management members was held, during which the submitted student works, dissemination of the project results, further tasks and financial issues were discussed. In addition, further meetings and issues related to them were discussed.
