

# A creative event dedicated to the birthdays of our great ancestors was held at TTPU

Uzbek culture and literature are embodied in the imaginations of the world's enlighteners, first of all, in the image of such great figures as Alisher Navoi and Zakhiriddin Mukhammad Bobur.

On the occasion of the 583rd anniversary of the great thinker poets of the Uzbek people Alisher Navoi and the 541st anniversary of Zahiriddin Muhammad Babur, a festive event was held at the Turin Polytechnic University in Tashkent called "Remembering Great Thinkers".

The event was attended by- people's Artist of Uzbekistan, owner of the "Dostlik" medal Saidkomil Hamroyevich, who spoke

about the life and ways of creativity of these two creators, the rich literary heritage that we have and the noble, educational aspects in their works.

"Shodlik" doira team with their performances gave the event an uplifting mood.

Samples of the ghazals of our great ancestors, stage

performances were performed by university students and students of academic Lyceum under the University.
