

An academic and youth meeting

On March 1, 2024, the head of the department of “Natural and mathematical disciplines” of Turin Polytechnic University Tashkent, Doctor of Technical Sciences, academician Dilshat Ubaydullaevich Tulyaganov met with youth at Samarkand State Medical University.

During the event, academicians told the students about his scientific and practical activities, his efforts to reach the academic level. He spoke about the facilities and opportunities in the field of science that are being created for our youth today and called on the students to make good use of such opportunities.

He also visited the Museum of the History of Samarkand State Medical University in order to get acquainted with the history and present of the university. At the end of the meeting, academician Tulyaganov Dilshod was presented with a letter of thanks for his contribution to the training of qualified specialists and scientific-pedagogical personnel in our country, for his many years of effective and honest work, and cooperation with Samarkand State Medical University.
