

# “Startup projects and startup ideas competition”

Within the framework of the 15th anniversary of the Turin Polytechnic University in Tashkent, a “Startup Projects and Startup Ideas competition” was held at the university among the youth of the republic. More than 70 participants from all over the Republic took part in the competition with their startup projects and ideas. By the decision of the jury, each of the 3 best startup projects received a voucher certificate worth 25 million soums, and each of the 3 best startup ideas received a voucher certificate worth 10 million soums.
