

# “Job Fair -2024”

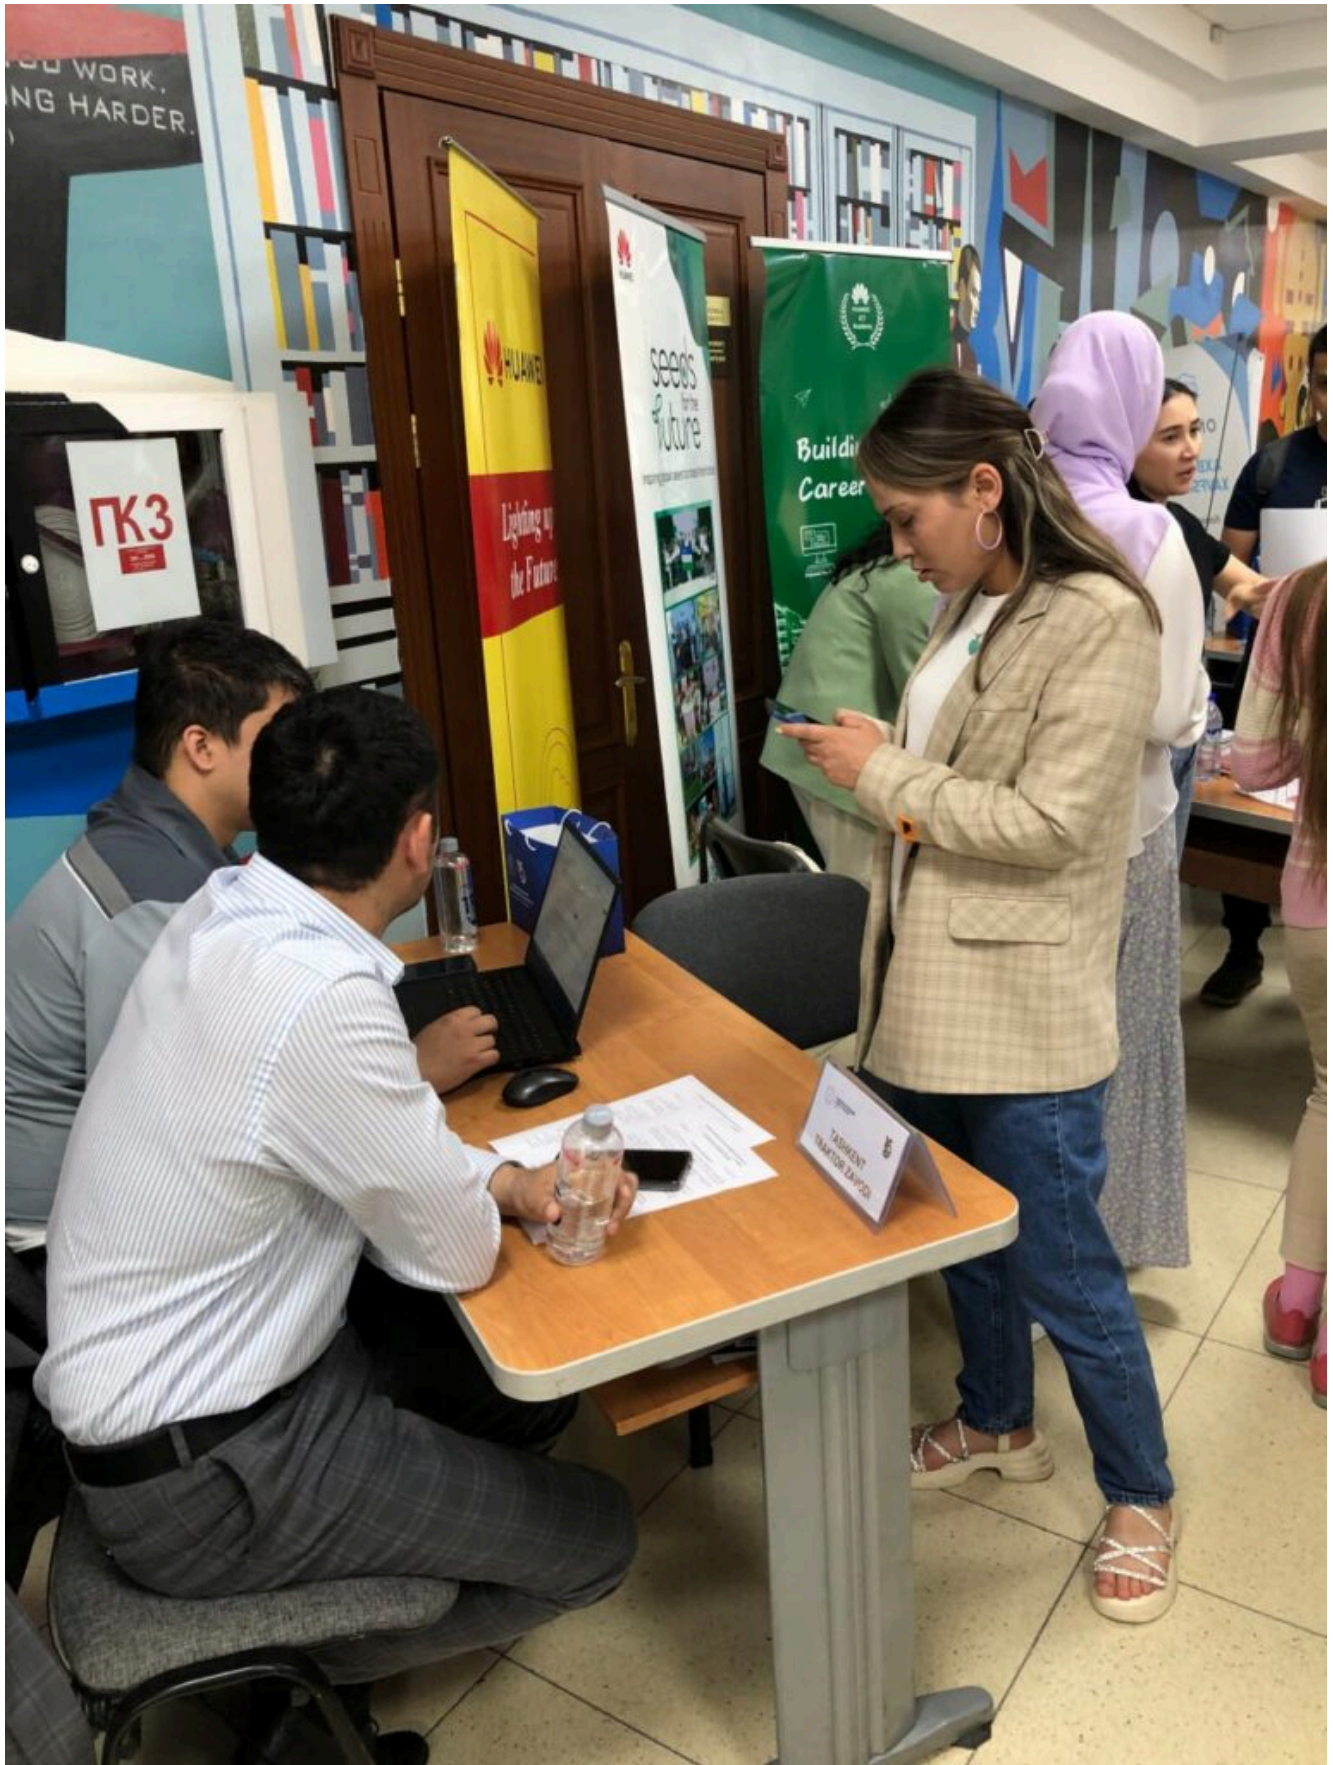

On April 26th, 2024, Turin Polytechnic University in Tashkent hosted the “Job Fair -2024” as part of its efforts to provide support for graduates in securing employment and fostering collaboration with employers through open dialogue sessions.

Around 40 companies from various sectors such as manufacturing, information technology, and others participated in job fair, such as “UzAuto Motors” JSC “UZAUTO MOTORS POWERTRAIN”, “O‘zEraeAlternator” LLC, BYD, UZTELECOM, IT Bilim, Cyber Science, Tashkent Tractor Plant, ADM Global, UZINFOCOM, “Kwangjin autosystem” LLC, Huawei, Enter Engineering, and others.

Representatives of the hiring organizations introduced with their vacant positions and promotional materials, familiarizing the students with their companies. Graduating students had the opportunity to network with leading companies in their respective fields, gather information about available job positions, and receive advice on employment and practical matters.

Within the framework of the fair, memorandums on broad cooperation were signed between nearly 20 hiring companies and Turin Polytechnic University in Tashkent.

We express our gratitude to all participants for their active involvement in the fair! We hope that the job fair has been beneficial for all participants, providing valuable opportunities for vacant positions.
