There is very little time left until the application deadline for the President Tech Awards startup competition!

There is very little time left until the application deadline for the most exciting startup competition, the President Tech Awards, with a prize fund of $1,000,000!

Don't miss this opportunity and prove the world that your project can change the future!

⬜ Submit your application through the following link: awards.gov.uz.

Ensure that you have joined the team and uploaded your project into the system to confirm your registration!

⬜ Ahead lies the Boot Camp, where you will acquire practical skills on how to properly structure your project and what to focus on.

➟⬜ **Deadline: August 20th**
