

On November 6 of this year, a discussion meeting was organized for the 1st level students of Turin Polytechnic University in Tashkent on the causes of traffic accidents and prevention of similar situations.

In cooperation with the Turin Polytechnic University and Tashkent IIBB YHXB, a discussion meeting was organized for first-year students of the university within the framework of the "Month of prevention of all road accidents, especially pedestrian-related road accidents".

✓ During the meeting, Lieutenant Colonel Q.P. Khudoyberganov the head of the Information Service of the IIBB YHXB of the city of Tashkent, provided information on traffic rules and provided detailed answers to students' questions.

✓ In the end, a social video was shown about the consequences of traffic accidents caused by not following traffic rules.
