

Visit of representatives of the Military Institute of Information and Communication Technologies and Communications

On the 13th of February of this year, representatives of the Military Institute of Information and Communication Technologies and Communications of the Ministry of Defense of the Tashkent University of Information Technologies named after Mohammed al-Khwarizmi visited Turin Polytechnic University in Tashkent. During the visit, a meeting of representatives with 3rd year university students was organized.

The introductory speech was started by the rector of the University, Salomov U., introducing the representatives to students and the purpose of their visit, which was informing students about the opening of a special faculty at the Tashkent University of Information Technology named after Mohammed al-Khwarizmi – the Military Institute of Information and Communication Technologies and Communications of the Ministry of Defense.

The next speech was given to the rector of the Military Institute of Information and Communication Technologies and Communications of the Ministry of Defense, Lieutenant Mukhitdinov H.A. and the heads of the departments Lieutenant Tashtaev Z.D. and Nurmetov B.V. They informed students about the possibility of entering and transferring to their institute after completing a 3-year course and receiving two-year tactical training in the rank of officers in six areas, and also presented information about amenities, faculties and

employment after graduation.

After the presentation, interested students had the opportunity to receive answers to their questions about admission and entrance exams.
