

A new MBA program is going to be established in Uzbekistan

[Putra Business School, Malaysia](#) and Turin Polytechnic University in Tashkent have reached an agreement to implement MBA program in the process of education.

The MBA (Master of Business Administration) program is designed to train technical university graduates and professionals currently performing their activity in the field of engineering, entrepreneurs and people interested in professional growth, leadership development, strategic thinking, as well as searching for a qualitatively new stage of the development in the future.

Putra Business School is accredited by the US Accreditation Agency AACSB.

Putra Business School is a school under the authority of University Putra Malaysia (UPM). According to QS World Universities Ranking, University Putra Malaysia ranks the 132nd place.
