

The “Parents’ forum” was held at the Turin Polytechnic University in Tashkent

On June 1, 2024 the “Parents’ forum” on the results of the academic year was held at the Turin Polytechnic University in Tashkent with the participation of 1st, 2nd and 3rd year students’ parents.

As part of the forum, a tour of the university was organized for the parents and they were introduced to the conditions created for the students to study, do sports and spend their free time meaningfully.

The event held in the lecture hall was opened by the rector of the university Olimjon Tuychiyev with an introduction, who spoke that today all necessary conditions for students have been created in the university and necessity of rational use of these conditions, facilities, as well as an important aspect is the strengthening cooperation with parents.

During a heart-to-heart conversation with parents, they got detailed answers to all their questions.
